

2019 3rd International Conference on Automation, Control and Robots (ICACR 2019)

<http://icacr.org/>

October 11 - 13, 2019

Prague, Czech Republic

❖ Call for Papers

Topic about Automation, Control and Robots:

- Intelligent Control Systems And Optimization
- Signal Processing, Sensors, Systems Modeling and Control
- Industrial Engineering, Production and Management
- Energy Efficiency and Green Manufacturing
- Control and Supervision Systems
- Genetic Algorithms
- Engineering Applications

More topics, please visit at <http://icacr.org/topics.html>

❖ Publication

Accepted papers will be published in the ICACR 2019 Conference Proceedings, indexed by **Ei Compendex** and **Scopus**, like the previous years.

❖ Submission

1. For full paper and abstract, please upload it to the Electronic Submission System (.pdf)
<http://confsys.iconf.org/submission/icacr2019>
 2. Send your submission to icacr@asr.org
- More details about submission, please visit at <http://icacr.org/submission.html>

Submission deadline: June 1, 2019

❖ Contact

Ms. Mirror Ding / Ms. (Conference Secretary)
